

House of Worship

Services

Design, Planning and Engineering

Strategic planning and system design services for your traditional and contemporary worship A/V/L systems.

Sound Reinforcement

Professionally designed and installed sound systems to improve the impact of your spoken message, music and singing.

ADA Compliance

Personalized listening assistance and hearing loop systems for the hearing impaired.

Acoustical Treatment

Customized panel-installation to control reverberation and improve intelligibility.

Specialty Lighting

House and theatrical lighting control to enhance the worship service.

Video Presentation

Projection systems, flat panel displays and digital signage delivering the visual impact of today's services.

Systems Control

Unique, customized touch panel control systems for the simplified day-to-day interactions with intricate A/V/L systems.

Security and Life Safety

Fire and burglar alarm, video surveillance and access control to protect your facility, systems and congregation.

Classroom Technology

A/V presentation, control and interactive technologies created to support group instruction and collaborative learning.

Conference Room Technology

Audio reinforcement, video presentation and remote conferencing equipment created to support today's telephone and web-based meetings.

Experience

ESCO Communications was founded 50 years ago to work closely with customers to meet their individual needs. At ESCO, we focus on our customers to develop system solutions that exceed their expectations.

Headquartered in Indianapolis, ESCO is an audio, video, communication, data and security integrator. As a systems integrator, we provide creative solutions using best of breed technologies for our customers. We work with you from the conceptual design through the implementation, training and service. Let ESCO help you today with improving technology to make your worship services more meaningful.

“Our reputation depends on getting it done right. Delivering tomorrow's technology solutions from a company that wasn't born yesterday.”
